Date: 8/29/22

Dear Parent/Guardian,

On 9/20/2022, Seminole County Public School's Health Services in collaboration with the Seminole County Health Department will be conducting state mandated health screenings for students at Hamilton Elementary School. Students will be screened for growth and development including height, weight, BMI (body mass index); vision; and hearing in grades PK, K, 1<sup>st</sup>, and 3<sup>rd</sup>. Screening schedule can be found on SCPS Website – Health Services page.

**Please complete the health screening consent form located by clicking the link below NO LATER THAN 9/19/2022.**

[2022-2023 Elementary Screening Consent Form](#)

**PLEASE NOTE:** those children who wear glasses or contact lenses must wear them for the vision screenings if they participate.

If you choose to exempt your child from the screenings or do not complete the required consent form by the above deadline, your child will not participate in the schools scheduled health screenings. Please remember the importance of an annual wellness visit with your healthcare provider to review the child's growth and development, nutrition, safety, and emotional as well as physical well-being.

If you have any questions, please contact Hope Sparrow at 407-320-6011  
Thank you,

Adrian Fuller,  
Principal
